“**committee**” means the inquiry committee or a panel of the inquiry committee;

“**investigation**” means an investigation under section 33 of the Act;

“**registrant**” includes a former registrant, and a current or former certified dental assistant.

Components of an award of costs

2. An award of costs against a registrant determined using this tariff includes the following:

- (a) a costs component;
- (b) subject to section 19(1.3) of the Act and section 5, the actual cost of all reasonable and necessary disbursements incurred further to or in the course of the investigation.

Calculation of Units

3. In determining the costs component of an award of costs under section 2(a), the committee must allow a number of units from a minimum of 1 unit to a maximum of 20 units, having regard to

- (a) the complexity, scope and seriousness of the conduct under investigation, and
- (b) the time that should reasonably have been spent on all process and communication relating to the investigation.

Value of Units

4. (1) The value of each unit allowed under section 3 is \$200.

(2) Despite subsection (1), the committee may reduce the value of each allowed unit

- (a) by 25%, if prior to the matter giving rise to the current award of costs, no action as described in section 39.2 of Act has been taken respecting the registrant during the immediate preceding 5 years, or
- (b) by 50%, if prior to the matter giving rise to the current award of costs, no action

as described in section 39.2 of the Act has been taken respecting the registrant during the immediate preceding 10 years.

Disbursement rates

5. For the purposes of section 2(b), the following disbursements will be calculated using the following rates:
- (a) photocopies, facsimile transmissions or scans: \$0.25 per page;
 - (b) travel by automobile \$0.55 per kilometre.
